It Puts an End to Oiling Worries

This "cut-away" view was prepared just to show you how efficiently the John Deere oils itself. That self-oiling feature is one of the big reasons for the steady power and long life of the

John Deere Type E Engine

The simple system insures the lubrication of every working part. Clean oil is kept circulating—every important working part is bathed by a spray of oil while the engine is in operation. Oiling is stopped automatically when the engine is stopped—no oil is wasted. Messy, easily forgotten sight-feed oil cups are done away with and friction, one of the greatest of power thieves, is reduced to a minimum by this positive automatic oiling system. Come in and have us show you how efficiently the John Deere oils itself. Examine the simplicity of design and the sturdiness of its parts—the John Deere engine will do its work steadily and efficiently and will stand up under severe conditions on your farm.

Why Have Colds?

Most colds are "caught" from some one else. The habitual use of gargles and nasal sprays after associating with people having colds will reduce the chance of catching cold in that way to a minimum. We can supply a good atomizer for a dollar, a bottle of Hygeol for 40c. Use that combination and keep cold germs at bay.

We have all the best cough and cold and croup remedies—everything helpful in the prevention and treatment of colds.

THE most recent trend of automobile design is strikingly exemplified in the "Bigger and Better" Chevrolet. The high, narrow radiator, the long, low bodies, the unbroken sweep of the lines from front to rear, the stylish blending of colors in finish and upholstery, these distinctive features of the "Bigger and Better" Chevrolet in power, in speed and snap, the "Bigger and Better" Chevrolet is no less modern and vigorous. Countless refinements in engine and chassis give Chevrolet a performance as dependable as it is brilliant. The "Bigger and Better" Chevrolet, alone among low-priced cars, has truly caught the modern spirit.

DEATH OF J. R. SHILLETO
After an illness extending over a year, Mr. J. R. Shilleto, "Jack," died at his home here on Friday last, in his forty-seventh year. He was the son of the late Richard and Mrs. Shilleto, and had been a resident of Lacombe since boyhood. Among our citizens "Jack" was a favorite, and had a host of friends, who extend to the bereaved family their heartfelt sympathy. Deceased has for many years conducted the Comet and Rex Theatres, and was well and favorably known to the theatrical and "movie" profession. Since the death of his father two years ago, the work of looking after the estate was undertaken by him, and up until a few weeks before his death he was actively employed in this work. The funeral was held on Monday, service being conducted by Rev. R. B. Layton, in the United Church, and a very large number of friends of the bereaved family were present to pay their last respects to the departed. Beautiful floral tokens of sympathy were received from friends in all parts of the Province. Interment was made in Lacombe cemetery.

He is survived by his mother, four sisters and a brother: Mrs. Harry Shaw, of Edmonton; Mrs. Veltum, of Minnesota; Mrs. Dr. Moore, of Lacombe; Mrs. Clark, of Alia, and Emory, of Hanna. They were all present at the end. Besides his immediate family, he also leaves a large number of relatives in Alberta and the U.S., who will miss his genial and likeable qualities.

REMEMBER THE BANQUET IN LACOMBE ON FRIDAY, FEBRUARY 1ST AT 4.30

For the banquet to the Lacombe District prize winners a good musical program is being prepared. There will be a presentation to one of the prominent men of the district. A few brief speeches will be given by local men and an interesting address is assured from Dr. Archibald. As Director of the Dominion Experimental Farms, Dr. Archibald is well known all over Canada and the U.S. and also in Great Britain and several countries in Europe. He is a graduate in Arts (B.A.) of the Ontario Agricultural College and University of Toronto, and received the honorary degree of L.L.D. from the University of Manitoba. He is one of the best informed men in Canada on agriculture and economics and he will have something of value for everyone. Come and enjoy an excellent dinner, good music and interesting addresses. Your presence will do honor to the prize winners of 1928 and you may be one of the prize winners of 1929.

Here and There

(214)
For the first time in history, an airplane has been carrying furs from the wilds of Northern Manitoba to the Winnipeg market. Helmut Kienast, of the Winnipeg Fur Portage for Fur Co., left Winnipeg recently, taking Del's mink, a variety of furs, which was to be sold to competitors who take a month to travel by dog team.

During 1928 between 5,000 and 5,100 Prince Edward Island foxes have been shipped abroad an increase over the 4,200 shipped the preceding year. These have been handled without a single known casualty. Since the middle of October foxes have been shipped to Norway, Sweden, Scotland, Germany, Czechoslovakia, Bavaria, Finland, France, Holland, Switzerland and Japan.

Forty-two years of service with the Canadian Pacific Railway without having broken any of the company's rules or otherwise earned a mark against himself is the unique record held by Arthur W. Bennett, an engineer, who has just retired on pension. Mr. Bennett, who is well known throughout the Railway Townships, fired the train that laid the first steel on the line between Sherbrooke and Parham.

The old English Yuletide Festival held recently at the Empress Hotel in Victoria, B.C., proved to be one of the most popular events of last year. Carols and yuletide music were rendered, the ancient "Mystery Plays" staged, and Dickens' "A Christmas Carol" was produced. The festival culminated in a ball at which some seven hundred persons attended. It is believed that plans are already being made for a larger and better celebration next year.

A change in telephone numbers has drawn attention to the train inquiry office in the great Windsor Street Station of the Canadian Pacific Railway in Montreal. The girls who are on duty there handle each on an average of 200 calls an hour, and as many as 300 an hour during rush times. They carry most of the information in their heads and seldom have to refer to a time-table. They are asked queer questions sometimes. Recently someone asked, "When does the afternoon begin," and the old power turned up, "What time does the four o'clock train leave?"

Dr. Knechtel, a farmer residing about four miles east of Souris, Manitoba, has about 5,000 bushels of Reward wheat which he is going to ship out all over Western Canada in two-bushel lots, as soon as the list of addresses arrives from Ottawa—for the project is under the supervision of the Dominion Government. As is pretty generally known, Reward wheat matures about a week earlier than Marquis and, for this reason, can be grown further north. This early ripening means, roughly, that a new strip of country 75 by 1,000 miles, is made available for wheat growing.

I. O. O. F. NOTES

On Thursday evening, a joint installation of officers was held by Lacombe Rebekah Lodge 101 and Magnet Lodge 12, I.O.O.F., the ceremonies being in charge of District Deputy President Mrs. N. Kennedy and staff of Red Deer, and District Deputy Grand Master, D. Cameron and staff of Lacombe.

Rebekah Officers elected for 1929 are:—P.N.G., Mrs. R. Saunders; N.G., Mrs. C. E. Todd; V.G., Mrs. F. Mast; Sec., Miss M. Pawcett; Treas., Mrs. C. McDougall; Warden, Mrs. W. Penwick; Cond., Miss O. Danner; Chaplain, Mrs. M. Healy; Mus., Miss E. Shaw; R.S.N.G., Mrs. A. Sheridan; L.S.N.G., Mrs. W. H. Clark; Mrs. F. Buch; I. G., Mrs. J. Paul; R.S.V.G., Miss M. Toward; L.S.V.G., O. G., Mrs. U. E. Reeves.

Officers installed in Magnet Lodge were: N. G., A. Sheridan; V.G., R. Saunders; Warden, J. Leifrice; Cond., T. Ward; Chap., D. Cameron; Mus., W. H. Clark; Sec., E. Wetherberg; Fin. Sec., J. Finlayson; R.S.N.G., F. Mast; L.S.N.G., F. Buch; R.S.V.G., W. Keith; L. S. V. G., J. Velen; I.G., J. Paul; O. G., J. Origen.

The District Deputies were ably assisted in the installation ceremonies by their Marshalls, Mrs. Hamby and C. E. Todd. As an expression of appreciation of her efforts in their behalf during the past year, Lacombe Rebekah Lodge presented Mrs. Kennedy with a cake plate, and after addresses by the newly elected officers and deputies, the gathering adjourned to spend a social hour over a delicious luncheon.

Appreciates Our Hospital

Dear Editor:—As an outsider, soon to leave for my own work in Medicine Hat, I would like to express my appreciation of your splendid Hospital service in the town of Lacombe, through the columns of your paper. "A prophet is not without honor save in his own country and among his own people." So it seems the same way be said of the doctor. If the citizens of Lacombe realized what an extremely clever surgeon Dr. Hynes is, they would immediately plan for and put into effect the erection of a commodious new hospital building, up-to-date in every respect. If it were known there would be ample accommodation in both public and private wards, patients would come from far and near, and money invested would bring in large returns. The building now in use would make a splendid maternity hospital, the new operating room could be utilized as a clinic. We as citizens make a big mistake if we fail to encourage in every way possible and to promote the happiness of the splendidly efficient nursing staff already spending, and being spent in our service class B. and C. \$15.00 and \$10.00, banded. J. H. Scott, Phone 1213, Lacombe.

medical staff. It will not help much to tell how wonderful they were after they have gone. Others tell us that now. I could never just understand the idea of putting a lot of flowers on a coffin to show appreciation, but I do understand the idea of proving that we appreciate, by making their work easy of accomplishment and by using our money to furnish them with the best surroundings and all modern conveniences. We always find plenty of money to do what we want to do, so let us want a commodious New Hospital and get it. Sincerely yours, P. Beot

Lacombe Poultry Breeders Win

Lacombe was well represented by 31 birds in a total of some 400 at the Red Deer Poultry Show, held at Red Deer on January 9th and 10th.

The quality of the birds shown by Lacombe was of the best, not one being in poor condition.

The exhibitors, their breeds and variety of poultry shown and prizes won are as follows:

Mrs. H. W. Woody, single comb White Leghorns winning first prize for best leghorn pen. This pen was the best one of standard and production bred leghorns shown at Red Deer during the past five years. Mr. Sam Henderson, Dark Barred Plymouth Rocks. Mr. Henderson entered in both the exhibition and farmers' classes, winning as follows: first and special in the exhibition class. These awards were won by Mr. Henderson's recent importation of 3 pullets and 1 cockerel, from the world's best, Barred Rock breeder, Mr. E. V. Thompson, of New York, U.S.A.

In the farmer's class Mr. Henderson won first prize and the Red Deer Advocate's cup for best display. These awards were won by birds of Mr. Henderson's own breeding, and he has some good ones.

Mr. Neil MacFarlane's Buff Orpingtons won 2 first and 2 second prizes. Mr. MacFarlane is an old time Buff Orpington breeder, having won prizes in all the principal shows in the west, but dropped out of the game when first coming to Lacombe. He has again taken up his hobby with his favorites, and the awards won show that "he knows his buffs."

Mr. J. H. Scott's, Bronze Turkeys won two first prizes. Mr. Scott breeds some good turkeys.

The above shows that Lacombe can win in poultry as well as in other classes of live stock shows.

HOCKEY

The hockey game played here on Thursday last between Lacombe and the southern rival, Red Deer, will undoubtedly linger long in the memory of hockey fans from both places. It was the fastest game played this season in the big four league. Red Deer, feeling confident after their one sided victory last week, were out to duplicate their 9-0 score, but were met with such opposition that it was only through good breaks that they were not beaten, and beaten badly. The Lacombe team sure played like champions, and were sure showing plenty of class. Their two and three man rushes were a pleasure to watch, and only great work on the part of the Red Deer goalie saved Red Deer from many occasions from an almost certain winning. As it was, the Lacombe team played behind the Red Deer blue line for about two thirds of the game, and why more goals were not scored by Lacombe is a mystery.

The first score of the game was made by Kester, for Red Deer, who got through after about ten minutes of play. This goal was followed, a minute later by one for Lacombe, scored by Chas. Graham, who took a rebound in a skirmish in front of Red Deer's net and planted the disc behind the Red Deer goal keeper. From then on, the game was as fast and furious as anyone would care to see. Both teams were working at top speed and the pace set was dazzling. The first period ended with the teams tied 1 to 1.

The second period was not as fast as the first, but it kept the spectators on their toes all through. There were many brilliant rushes in this period, but neither Lacombe nor Red Deer could get an advantage. This period was scoreless.

The last period was without a doubt the fastest in the game, in fact it was the fast twenty minutes of hockey played this year. Play went from end to end, but in this period, most of the play was at the Red Deer end of the rink. In this period, a goal was scored, but the goal judge failed to raise his hand, and it was not allowed. It is just breaks like this that discourage the efforts of players. The goal was fair and square, and was witnessed by a hundred fans. The last goal of the game came just one minute before the final gong sounded, when Reid, of Red Deer got through and the Lacombe defence scored a neat one.

Here and There

(212) Highway Indians of the Nipigon district will not touch bear meat because they are mostly members of the Bear Clan, says Oskari Ripley, the well known sporting writer. They are averse to killing the bear and one hunting party relates having to eat a bear's steak and having to bury a bear's carcass because their cook refused to touch the meat.

A trout weighing eight pounds was a catch reported last summer by William Mitchell in the neighbourhood of Banff, Alberta. "My record for a trout is 194 lbs," he writes, "all caught on rod and line within easy reach of Banff. Recently at Wapta I caught two six pound rainbows and several cutthroat weighing from two to three and a half pounds."

Many enquiries for Reward wheat, one of the early ripening varieties evolved by the Canadian Government Central Experimental Farm, Ottawa, are being received by the Dominion Cereals. The farm will have 10,000 bushels of this new wheat for distribution, and the 350 growers who were allowed to grow Reward in 1928 will have a surplus of 2,000 bushels making available 12,000 bushels for seed in 1929.

Production of agricultural implements and machinery in Canada amounted to \$42,298,238 in 1927 according to the Bureau of Statistics, as compared with \$38,269,214 for the previous year and \$24,776,216 for 1925. Of the 65 firms reporting, 43 were in Ontario, 12 in Quebec, 4 in Manitoba, 4 in Alberta, one in Saskatchewan and one in Prince Edward Island.

Having successfully completed her trials off Scotland the new Canadian Pacific British Columbia coastal steamship "Princess Nora" will arrive shortly at Victoria, Vancouver Island. The new ship is the seventeenth "Princess" of the company's fleet and is equipped with bow rudders to facilitate navigation in the narrow channels of the west coast.

Canadian seed wheat is in considerable demand in South America according to officials of the agricultural department of the Canadian Pacific Railway at Winnipeg. A ton of seed wheat was recently shipped from Brandon to Peruvian wheat ranchers, and it is expected that further orders will come from the South American republic.

Less than a minute was required to launch each boat when the life saving equipment of the Canadian Pacific liner "Duchess of Bedford" received its regular test at New York recently before embarking its Christmas cruise of the West Indies. "The finest and most efficient boat lowering apparatus I have ever seen," was the comment made by John J. Grady, head of the United States steamship inspection service, who was present at the test. The "Duchess of Bedford" is one of four sister ships of the new "Duchess" class all of whom are speedy oil burners and equipped with the same efficient life saving apparatus for use in an emergency.

Although the Lacombe team lost this fixture, they played one of the best games of their hockey career, and the mere fact that the score was 1 to 1 up to a minute before the finish, shows clearly how they played. It was anyone's game right to the last, and only for a couple of lucky breaks, Red Deer would have been beaten.

Referee Longman from Ponoka handled the bell, and he did so very ably. His decisions were very fair, and he satisfied all concerned.

It would be unfair to single out any outstanding players on the Lacombe lineup, as every man on the team was at his best, and all played an equally good game.

BIG FOUR LEAGUE SCHEDULE

THE JUVENILES GOING STRONG

About 300 fans were present to see the little Big Four fixture played here last Thursday night between Lacombe and Red Deer, following the intermediate Big Four game. The game will long be remembered by those in attendance, many of the fans witnessing juvenile hockey for the first time. It was a revelation.

Though the locals went down smiling, 7-5, the game was a hard one to lose, as up to the last period the teams were running neck and neck.

Starting the game Lacombe broke loose and playing a three-man combination got within shooting distance of the goal several times, only to be turned aside by the Red Deer defence. Then Raymond, Tees and Trotter, 7-5, the game was a hard one to lose, as up to the last period the teams were running neck and neck.

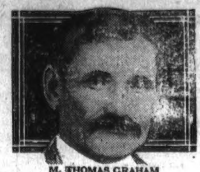

Visitors Close Up
Hogan following fast for Red Deer, scored a brace of counters. His scores were followed by Lawson on a pass from Gordon to end the canto. Score, Red Deer 5, Lacombe 2.

The second period was undoubtedly Lacombe's. Two minutes after play started Raymond and Tees got through and Raymond scored to tie the count. Raymond again scored and brought his team one up, then to end the period, Lawson scored his second goal for Red Deer to make the score four all.

With the count even to start the final stanza, both teams put every ounce of energy into the fray. Tees

Of the thousands and thousands of men and women who have been restored to perfect health by "Fruit-a-tives," none are more grateful than Mr. Thomas Graham, 538 Mason St., Calgary. "I am 69 years of age, and have been suffering for years for a trouble between the bowels and the bladder, which kept me home from work for a month at a time; until I started to take 'Fruit-a-tives.' Since then, I have worked steadily for four years and have never had a sick day."

Try this wonderful medicine, made from fruit juices combined with the finest medicinal ingredients. 25c. and 50c. a box—at dealers everywhere.

Trott and Raymond working a neat combination scored the tie breaking goal, Tees scoring on a pass from Trott. Red Deer then broke loose and in three minutes scored as many goals. Play was rough from then on, and many penalties were received. When the game ended Red Deer had 7 counters to Lacombe's 5.

Harry Ritz handled the bell and his decisions were fair and impartial. Lacombe Lineup: Goal, Craig; defence, Miller and Caruthers; forwards, Tees, Trotter, Raymond, Belcher, Fraser, Halpin and Watt.

Red Deer—Goal, Stephenson; defence, Wedman and Dancocks; forwards, Hogan, Lawson, Gordon, Dale, Nichols.

"Happiness Ahead"

A sweet country girl and a New York crook. The supreme happiness that comes with the first kiss and the heartaches that come with disappointment. You'll feel it all and cheer College as she goes smiling through her sorrows to the happiness that only a great love can bring! It's one of her very great screen achievements! An epic of the greatest force for good—a woman's love. The world's most popular star in a story of appeal and charm. The favorite of millions in a role you'll never forget. A dramatic gem in a setting of laughter. A story of tenderness and allure with a romance of great beauty! Colleen Moore's very latest and very best picture. See it. This picture will show at regular prices. Also a 2 reel comedy.

In one of the fastest games played this season, Stettler defeated Lacombe by a score of 7 to 4. The game went 20 minutes overtime, and at the end of the first ten minutes of overtime the score stood 4-4. The game was replete with the very best of hockey and stick handling. It was an exhibition of hockey that does credit to both teams.

See the hockey game tomorrow night, Lacombe Juniors vs. Ponoka Juniors. It will be a good game.

Pop Steele, captain of the Lacombe hockey team met with a nasty accident yesterday when a blow from which he was working exploded, burning him severely about the hands and face. Although the burns are not of an extremely serious nature, it will be several days before he will be able to use his hands.

There will be a dance at Fernies Hall on February 1st. Clark's orchestra. Ladies please bring lunch.

J. E. Carritt Dies at Bentley

The Ladies' Hospital Auxiliary held their meeting for January at the home of Mrs. Poling on Thursday p.m. last with a large number of members present. The usual business was transacted followed by lunch and a social hour.

Mr. R. E. Choven and Mr. Glen Wright were in Rimbey on Monday on business connected with the Hog Pool.

Mr. Geo. Garries, Sr. left on Monday with a crew of 8 or 10 men for Norbuck, about 6 miles from Breton. He has taken a large contract to furnish coal for the Athol Lumber Co. This crew goes up in advance to arrange and build sleeping quarters, etc., for a larger crew which he expects to go up a little later. Mrs. Geo. Garries, Jr. and Mrs. Hanny went up to take charge of the cooking. Mrs. Geo. Garries, Sr. will follow later and Mrs. Harry Garries comes to town to keep house for Master Charlie and Roy during their mother's absence.

Kenneth Nelson who for the past 3 months has been a member of the Co-operative staff, resigned his position and is no longer behind the counter.

Mrs. Frank Andrews and baby who have been at the home of her husband's sister, Mrs. Paul Garries since leaving the Hospital was able to return home to Gliby on Sunday. Clarence Damron is a Calgary visitor this week.

Bill Thorp is home from the Old Agricultural School for a short time. J. E. Carritt, a highly esteemed resident of the Rainy Creek Community for the past 26 years died at Bentley Hospital on Saturday, January 19. He was born in Elkhorn, Wis., U.S.A., August 31, 1856. In 1880 his parents emigrated to Castana, Iowa, making the trip of about six hundred miles with an ox team and wagon, his father making the 27th homestead entry in the Council Bluffs land office, at that time only a steam boat landing on the Missouri River, but now a city of many thousands. This place located 90 miles from the homestead was the nearest Post Office and supply point and to reach a railroad point, 150 miles had to be travelled. The following year the civil war in the U.S. broke out, lasting for a period of four years. Thus, it will be seen the subject of our sketch grew to manhood under conditions which the present day generation would consider impossible. When grown to manhood, he settled on a farm near the parental home, where he remained until 1903 when he came to Canada and again experienced pioneer conditions. Having been denied the advantages of a good education he realized the advantages to be derived from one and was ever ready to do his small part toward making it possible for the present generation. He donated generously to the foundation of the Carritt school Library, to the Red Cross and to the Bentley hospital, where owing to a

chronic stomach trouble, from which he suffered he was compelled to spend many days at different times. He was unmarried and for the past 10 years had made his home with Mr. and Mrs. Wm. J. Begert, who gave him the kindest care and attention. Mrs. Begert especially often denying herself the pleasure of an outing because he needed attention. One brother and two sisters still reside in Iowa, and one brother, J. C. Carritt at Bentley.

The funeral took place from the Bentley United Church, on January 21st, Rev. Howarth officiating. A large crowd was in attendance to show their respect. Interment was in Bentley Cemetery. The pall bearers were Chas. and Fred Carritt, Fred C. Nelson, W. J. Begert, J. C. Peterson and J. H. Steele.

LOCKHART NEWS

Mr. Albert Krains was appointed delegate to the Trustees convention to be held in Lethbridge soon.

The U.F.A. was re-organized last Saturday night with Mr. Jim Robson, President, and Mr. Wm. Layton Secretary. Mr. Layton was appointed delegate to the convention in Edmonton.

Mr. and Mrs. Jim Jaffray and Mrs. Kirtman and family visited at the Fraser home last Sunday.

The Lockhart W.I. held their meeting at Mrs. Jim Jaffray's on Wednesday, January 16, with a very good attendance.

The roll call was answered by members reading some current event or item of interest. The work to be covered by the standing committee was discussed and the following members appointed to take charge of Immigration: Mrs. Kertzman; Legation, Mrs. Layton; Education and Better Schools, Mrs. Fraser; Child Welfare, Mrs. Robson; Household Economics, Mrs. Boddey; Agriculture, Mrs. Jim Jaffray; Canadian Industries, Mrs. Wm. Jaffray. There was some discussion as to the advisability of forming a Boy's and Girl's Swine club at Lockhart. Several of our boys and girls belong to the Rimbey club, but it was felt that if the boys and girls in this district were canvassed there would be sufficient members to form a club here. Mrs. Robson, Mrs. Kertzman and Mrs. Wm. Jaffray were appointed for a visiting committee.

The next meeting will be held at the home of Mrs. Arthur Jaffray, on the first day of February. Dr. Elizabeth Brunton will be asked to address the meeting, but if she is unable to come, Mrs. Fraser will read a paper on "Education" and Better Schools. The roll call will be answered with jokes. The members telling the best joke will be given a small prize.

Mr. and Mrs. Arthur Jaffray and the Stephenson Bros. visited Lindsay last Sunday.

Mrs. Pate Sampson and children of Lacombe are spending a few days with her parents, Mrs. and Mr. Jim Robson.

The Junior U.F.A. held their regular meeting at the hall on Saturday

night. There were forty members present and several visitors. The Juniors are planning for a skating party and winter roast soon. They have also decided to put on a play and have sent for books. After the business meeting the young people enjoyed an hour of dancing, and a lap supper was served by the committee.

Mr. Linnar has been working on the hall this week. The inside of the hall will be painted when the carpenter work is completed.

Willie Jaffray and Jim Strachan spent a few days with the Pike Bros. who are trapping up at Wolf Creek.

AT THE COSY

Friday and Saturday
The Home of Good Pictures and Good Music

Richard Dix and Mary Brian in what is claimed to be Richard's best picture to date "Manpower". Richard says, "If Manpower isn't a real picture, he has never seen one." It has "Star Power", "Story Power", "Action Power", and "Entertainment Power." All combined. The story of Tom Roberts, occupant of a moving box car with three other unshaven travellers, quite a poker game because the limit is raised to two cents. He gets off the train at Pineville where the story continues to the amusement of all seeing this dandy picture. Also 2 reel comedy and news.

John Gilbert, in the dandy crook melodrama, "Four Walls" and 2 reel comedy.

Candy matinee as usual at the Cosy, Saturday at 2.30.

Your favorite screen comedian, Laura LaPlante in "Finders Keepers". Rent your seats early to see this mystery comedy that will make your hair stand on end and while you laugh until you're weak. See the colonel's daughter fall for a buck private, see Laura join the army, see all kinds of side splitting comedy and mystery. Rent your seats early.

Band at Rink every Wednesday night.

Coming soon, Richard Barthelmess in "The Beloved Rogue". It's another big one and will show at Regular prices.

J. STANLEY SHARP, PRIZE WINNER AT PROVINCIAL SEED FAIR, EDMONTON

Although owing to the August frosts 1928 was not a good year for Alberta wheat growers, there was a very strong exhibit of wheat at the Provincial Seed Fair held at Edmonton, January 14 to 18. On account of different soil and climatic conditions the Province is divided into north and south zones. In the north zone there were 19 wheat exhibits. First prize went to the world famous grower, Herman Treble, of Peace River, second to Daniel J. Bold of Olds and third to J. Stanley Sharp, Lacombe. This is only the second year that Stanley Sharp has been showing and third place in such a strong competition is a high honor.

One of the remarkable features of the exhibit was that with the exception of one sample of Bennew Wheat, all the exhibits were Marquis, Garret or Reward, three varieties originated and distributed by the Dominion Experimental Farms Branch, Ottawa. The increased returns which have come to the farmers of the Prairie Provinces through the growing of these early, high yielding varieties have much more than equalled all the expenses of operating the Dominion Experimental Farms and Stations since they were started in 1887.

SPRUCEVILLE NEWS

The evening meeting of the U.F.A. and U.F.W.A. will be held in the Spruceville Hall on Monday evening, January 28. Mr. McKenzie, wheat Pool Field man for this district will give a public address. Greatest Sensation of
of Modern Times

"Sweet Adeline"

Considering there are only a few theatres in Canada equipped for Sound pictures, it is hard to realize that Sound Pictures, Rag, have been able to bring such equipment to your town. Such is the case, however, and after months of special construction work by the leading Sound experts the production of "Sweet Adeline" has been brought to a state of perfection only reached by the leading theatres in Canada. This is a treat you cannot afford to miss. From coast to coast the merits and wonders of Talking Pictures are being hailed as the greatest invention of a century.

PROVINCIAL ARCHIVES

COLLECTING HISTORICAL MATERIAL

In the Provincial Library, under the direction of Hon. George Hoadley, there is a branch of Archives of the Province, in which a large amount of source material of Alberta history has already been gathered. This branch is anxious to secure any manuscripts or journals containing the memories of early settlers which will serve as historical record of the beginnings of community life, or any information respecting the existence of the same; also any existing early photographs of important persons and events. Communications dealing with the above may be addressed to Mr. J. A. Jaffray, Provincial Librarian and Archivist, Edmonton.

RURAL EDUCATION IN ALBERTA

Copies of a pamphlet entitled "Rural Education in Alberta" have recently been sent out from the office of Hon. Percin Baker, Minister of Education, to each rural school board and teacher in the province and to the locals of other rural organizations interested in educational matters. This contains an outline of the changes in the school system to be introduced to the legislature at the coming session. Additional copies of this publication may be secured at any time from the Department of Education.

U.F.A. CONCLUDES SUCCESSFUL CONVENTION

The annual convention of the U.F.A. and U.F.W.A. of Alberta held in Edmonton during the past week has been one of the most successful events in the history of the organization. H. W. Wood, the veteran president of the U.F.A., was unanimously re-elected to this office for his fourteenth successive term. Mr. R. B. Conn who has resigned from the U.F.W.A. after five years of service in this position will be succeeded by Mrs. A. H. Warr, of Waskatoon.

Imp. Sayings

A Column of Fun and Facts for Lacombe Folk and our Farmer Friends

It wasn't so very long ago that we saw a man slip on an icy place on the sidewalk and then say something under his breath. Now we don't pretend to be kidding, just what that man's thoughts were nor what he was saying to himself but we have an idea that it wasn't very complimentary to the owner of the walk, nor to the climate either for that matter.

With McCormick-Deering Grain Drills every seed is planted right in even furrows, at the proper depth and covered with just the right amount of dirt.

The final achievement in thrift will come when our morning papers are printed on breakfast food.

McCormick-Deering Power Lift Grain Drills are a distinct step ahead in seeding machinery. They are the largest now made, but can be drawn by either tractor or horse.

To the average mother a door is something the baby meows up with his fingers, all the older children forget to close, and father bangs to indicate he has lost an argument.

Have you seen the new McCormick-Deering Ball Bearing Cream Separators with the milk screw? The prize economical fellow in the Dominion got married in the back yard so his hens would get the rice.

Let us give you a demonstration of the McCormick-Deering Tractor and convince you of the wonderful work it will do. It has assurance of plenty of power for odd jobs, belt work, plowing, etc.

Reason For Failure
Lady: "Why aren't you a successful business man?"
Tramp: "Well you see lady, it's this way, I wanted my time in school instead of selling newspapers."

You will have no more worry about running water if you install a McCormick-Deering Gas engine.

LACOMBE HOSPITAL MEETING

The Annual Meeting of the Lacombe Hospital Association will be held in Fraser-MacDonald Agency offices at 4 o'clock Friday afternoon January 26th, 1929. All interested are requested to attend.
A. D. MacDonald, Secretary.

THE LATE MRS. MAGILTON

A gloom was cast over the entire community on Thursday, January 17th when it was learned that Mrs. Magilton, beloved wife of Mr. Harry Magilton, had passed away after a brief illness.

Mrs. Magilton (nee Annie Patterson) was born in Belfast, Ireland, Sept. 21st, 1886; migrated to Iowa, Nov. 1905 and in 1906 became the wife of Harry Magilton. They came to Lacombe district in 1913, and since then have endeared themselves to a very wide circle of friends.

The late Mrs. Magilton was of a happy and sympathetic disposition, ever to be found in the fore-front of anything that was for the good of the community, always ready and willing to help and comfort those in trouble and distress. Her place would be a hard one to fill in the social and intellectual life of the district.

A loving mother, true and kind. No friends on earth like her we'll find. For all of us she did her best, And God gave her eternal rest.

She is survived by her husband, Mr. Harry Magilton and family: Mrs. Wm. Gordon; Samuel; William; Henry and Isabelle of Lacombe; also her mother, four sisters and two brothers in Iowa. The funeral which was held from the United Church on Saturday afternoon was very largely attended and the many beautiful floral tributes received showed the respect in which the family is held.

Those from out of town attending the funeral were Mrs. Uker, mother; Mrs. Tom Magilton, sister, both of Iowa; Mr. and Mrs. Wm. Morrow; Mrs. H. Morrow and Mr. G. F. Gordon, of Edmonton and Mrs. McQuillan, of Calgary.

CLIVE NEWS

The Mission Band held their annual Juvenile social on Wednesday under the leadership of Mrs. T. Breckenridge. Their little boxes and baskets daintily decorated were sold at fifteen and twenty-five cents each by the boys of the band and also the explorers. All their fees now for the year are paid, and a nice start for the coming year.

The W.I. is to be reorganized on Friday afternoon, January 25th in connection with the Community Hall. Mrs. S. Oldring, of Mirror is coming to assist in the organization. Medea J. Dorn and J. T. Reynolds held a reception at the latter's residence on Monday evening in honor of Mrs. Cecil Law (nee Miss Jean Allen) a recent and very popular bride. A large number of her close and intimate friends were invited and a most enjoyable time experienced. As a token of esteem and congratulatory wishes, the bride was presented with a handsome set of cutlery in flat silver. The presentation was made at the close of a very fine speech by Mrs. Reynolds. Mrs. Law made a most touching reply in a few well chosen words.

The members of the Trustee Board are holding a bean supper in the basement of the United Church. The proceeds will go towards reducing the note held by Mrs. Finlay in connection with the Church Improvement fund. Everybody come on Saturday afternoon next, Jan. 26th.

The Carnival held on Monday, January 14th on the community rink was a great success, both from the standpoint of a good time as well as finance. Many and varied were the costumes, while under the electric lights a most beautiful and harmonious display of color was seen.

The following were awarded prizes according to the class entered.
For Ladies' Fancy Costume, Miss Dorothy Tompkins, (A Japanese).
For Men's Fancy Costume—Chester McMillan an Indian Chief.
For Girl's Fancy—Marguerite Hughes as Mother Hubbard.
For Ladies' Race, 11 years; Jack Wilson; Boys 12 and under, Victor Jeglum and Clinton Willour.

Prizes were given for the sport events in racing and broomball.

First for Ladies Race—Ruth Williams.
First for Men's Race—Clarence Johnson.

Girl's race 14 years—Alice Sloan; Girl's race 10 years, Mary Allison.

Refreshments were served. Proceeds amounted to \$58.00 for Rink Fund.

OPENING DATE OF SESSION POSTPONED

The opening of the Alberta Legislature has been postponed from January 24th to January 31st, it was announced during the past week by Premier Brownlee. This change has been made necessary as a result of the recent illness of a number of members of the cabinet and the consequent delay in the preparation of the legislation which will come before the House.

GRAIN COMMISSION TO HOLD SITTINGS IN ALBERTA

Authority has been given by the provincial government, under The Public Inquiries Act, for the commission appointed by the government of Saskatchewan, on the grading and marketing of grain to hold sittings in Alberta.

This action has been taken at the request of the commission itself, which has felt that in order to make its inquiries as complete as possible, it should extend them to this province also, which it could not do unless clothed with some authority from the Alberta Government.

Desiring to co-operate with the sister province and to facilitate the work of its commission as much as possible, the necessary powers have now been conferred upon the commission, which will therefore have the right to hold sittings in Alberta on the same basis as in its own province. It is not known how many sittings will be held, but presumably the larger centres will be included in the itinerary and possibly some of the leading rural shipping points.

The position of manager of the Alberta Co-operative Wholesale which represents some 15 co-operative stores throughout the province has been filled by the appointment of A. P. Mean who for the past 11 years has been president of the Wetsaskiwin Co-operative Association. In his new capacity Mr. Mean will occupy an office in the Egg and Poultry Pool Building at Edmonton.
